Jennifer is co-owner of the Momosa Publishing Company that Publishes Health and Wellness focused books.

Check out the website at: <http://momosapublishing.com/>

**New Business:** **No Meetings in JULY and DEC**- This is a decision that LVBG has made and will be effective for all committees.

### Agenda Discussions:

- 1- **Health and Wellness Fair:** The fair was a great success. There were 35 vendors, and the stores loved the presence of the fair. No complaints, and they all felt it increased flow to the mall. The Palmer Mall was really good at advertising. Unfortunately the mall may be off limits for future events due to Bon Ton spare being rented out. The committee would like to brain storm in the next few months for possible other venues...  
Jen S shared that the Emmaus Farm Market is having Sodexo come for monthly chef' demos, and It was suggested that Sodexo may be a vendor for future events...
- 2- **Emmaus Farmers Market** – Update on the bins, Emmaus Farm Market' board does not want a weekly donation bin placed for donations. However we can create a flyer to give out when we man the tables ourselves. We are still allowed 3 days to man the community table. We need to go to the website [Emmausmarket.com/contract](http://Emmausmarket.com/contract) to establish ourselves again this year.  
**In order to sit at the community table, we need to have insurance, which Kevin will handle.** We also must bring a tent (must have weights) and a table  
**Currently the Farmers Market is running the 2<sup>nd</sup>/4<sup>th</sup> Sundays from 10-12pm until April, Then in May it is every Sunday from 10-2pm**  
**The Market now is set up in the triangle of Emmaus. In order to Park at the event the vehicles must be in the triangle by 930AM. This means there will be no "split" shifting the table time.**
- 3- **Bucket Garden Projects:**
  - ❖ May 5<sup>th</sup>- Wag N Trail on the Farm event- Need 50 buckets  
Update on Chick-Fil-A contacts

**Ericka is contacting Chick-Fil-A on Rt 33/248 in Easton**

Eva- will contact the one in Whitehall- Reached out to the Kitchen Director, but have not heard back from her yet. Will send another email.

Diane- will contact the one in Trexlertown

- 4- **Flint Hill Farm volunteer day for late spring-** Update on Farm help. Kathy would like to install butterfly garden in a previously used veggie garden. Needs clean up and planting in 15 X 40 space  
**We agreed to set aside June 1<sup>st</sup> for our cleanup day on the farm and June 15<sup>th</sup> as our planting day**  
Kathy has a roto tiller, and wheel barrels... We need to bring work gloves, tools to rack and move out old plants and clean up area. Will reach out to Penn State Cooperative Ext to see if they have any wild flower seeds for the garden. Kevin will look for some perennial plants at the auction.  
Here is a link to consider for planting, also check out the 2 attachments in addition to the meeting minutes.  
<http://www.susquehannalife.com/2019/03/17/190738/how-to-create-a-butterfly-garden>
- 5- **Spring Plant and Veggie Sale-** April- June- Kevin will head this up, and also get plants for our bucket projects and the Treatment Trends Garden. Left over plants will be sold to generate some income for future projects- Kutztown sales start April 11<sup>th</sup>... Kevin already has the schedule in his calendar!
- 6- **Treatment Trends Garden makeover-** Kevin gave us the contact at Treatment Trends, and Erika reached out to her. We are waiting for her response so we can take a look at the location. Eva and Liz will collaborate together.
- 7- **Speakers/Outings-** Any thoughts on organizing speaker events/demos? **Liz is working on this, and Jennifer also had some ideas to coordinate with her.**
- 8- **Camp Black Top- June 8<sup>th</sup>- Save the Date....** HW committee needs to think of small hand on activity/craft that kids would normally do while camping...- The event is a camping event for inner city kids.
